- Languages: English (Advanced/Fluent), Spanish (Bilingual).

## WORK EXPERIENCE

Business Analyst (*formerly Business Analyst Intern*)

*Bainbridge, Inc. | Pittsburgh, PA | August 2020 – Present*

- Developed, maintained, and improved interactive business intelligence reporting dashboards and performance tracking tools using Advanced Microsoft Excel, Tableau, and Power BI.
- Collected, cleansed, and analyzed complex sales and business performance data from multiple sources to track sales trend metrics, quota attainment, and identify operational risks.
- Automated monthly reporting processes using Excel scripts and Power Platform solutions, improving data accuracy and saving 90 man-hours per month across organizational teams.
- Leveraged Advanced PowerPoint to deliver high-impact data presentations and quarterly business review reports for senior sales leadership and corporate stakeholders.
- Managed multiple ad hoc reporting and analytical requests simultaneously while liaising between analytics partners and operational teams.

Data & Operations Assistant (*formerly Administrative Assistant*)

*GCSS Advisors | Pittsburgh, PA | February 2017 – August 2020*

- Performed reporting, customer data management, and record organization, introducing an improved file structure that reduced information retrieval time by 13%.
- Managed customer accounts, multi-line communications, and operational logs while maintaining service level agreements (call wait times under 90 seconds).

- Provided daily administrative, scheduling, and inventory management support to 6 senior advisors.

## **EDUCATION**

Bachelor of Science in Business Administration

*University of Pittsburgh | Pittsburgh, PA | Graduated April 2020*

- GPA: 3.7 / 4.0
- Relevant Coursework: Applied Econometrics, Probability & Statistics, Linear Algebra, Intermediate Programming, Game Theory, Calculus I–III.
